∞ **2019 WSOA Lifetime Achievement Award** ∞
Jonathan P. Keeve, MD

The Washington State Orthopaedic Association Lifetime Achievement Award proudly recognizes the contributions of an individual in the field of orthopaedic medicine. Throughout their careers, the recipients have demonstrated and promoted the highest values of the WSOA in their leadership, service, education, and professional relationships. This year, the WSOA Board of Directors is privileged to honor Jonathan P. Keeve, MD.

Washington State Orthopaedic Foundation
to:

WSOA/WSOF
2001 6th Avenue, Suite 2700
Seattle, WA 98121

The Washington State Orthopaedic Foundation (WSOF) was created in 2013. The WSOF is one operating component of WSOA, and the Board of Directors of the Washington State Orthopaedic Association comprises the membership of the WSOF. The Board of Directors of the WSOF is elected by its members at the annual meeting.

Vision Statement

To make Washington the best place to practice and to receive orthopaedic care.

Mission Statement

To promote the advancement of musculoskeletal science and treatment of disease. We are also interested in the efficiency and quality of care.

The WSOF was created:

To collect donations, tax free, to distribute for education and research that would benefit the patient with musculoskeletal problems in Washington State. We think that this effort will result in new efforts to promote patient safety and evidenced based care.
